

Used Equipment

2 Stagemaster HH720.SH

Description:

The 2 Stagemaster HH720 is a cost effective easy to use module for testing two stage injectors. It is used in conjunction with either the Testmaster 2 HH700 or Testmaster 3 HH701 injector testers.

The 2 Stagemaster HH720 features an LCD display and simple automatic controls to determine the second opening pressure (NOP2). The first opening pressure (NOP1), spray pattern, spray package, front leakage and spray pattern are checked using the Testmaster 2 HH700 or Testmaster 3 HH701.

SOLD

HH720.SH is sold as seen without warranty

Please note the broken seal on the front panel. This does not affect the function of the machine. It is in perfect working order and used in conjunction with HH700, HH701 or HH705.

Serial information	
Product	HH720
Manufactured	2004
Serial number	19-A-5

Technical Specification	
Pressure	Up to 500 bar. Units selectable bar, MPa, kPa ats, psi, kg/cm ²
Accuracy	NOP2 to \pm 5 bar
Resolution	1 bar
Electrical Supply	110/240V 50/60Hz
Air Supply	5 bar minimum, 10 bar maximum
PC/Printer	2 x RS232 ports allowing PC and printer connection
Footprint	27cm x 66cm
